HAINES—FRY

On Saturday evening at 7:30 another wedding was solemnized at the home of Mrs. Rost when Mr. George Haines and Miss Shirley Fry, of Bay City, were married.

Mr. Haines is an engineer on the gravel dredge at Ledbetter, and formerly boarded with Mrs. Rost. He thought so much of Mrs. Rost then that he frequently told her that when he married he wanted to marry at her house. So it came around in a way to carry out his plans. He is the son of Mr. and Mrs. Frank Haines of Bay City, and Miss Fry is also of the same place. Her father is in the railroad service there. She is a graduate of the Bay City School and has spent a year in school at Houston.

Ledbetter will be their home for the present.
