NEWLYWEDS ENTERTAINED

The Lutheran school was the gathering place of a happy group Thursday evening June 23, when the Ladies Aid entertained in honor of the three newlywed couples: Herbert Fischer, Robert Nerger, Fred Falke and brides. After several interesting games of "forty-two," refreshments consisting of punch, cake and cookies were served to about seventy-five guests. All departed saying they had had a wonderful time and hope a few more young couples would marry so the ladies would give another entertainment.
