**SHOWER FOR BRIDE**

When it was known that Miss Ellye Hester had become Mrs. Sparks, the Sunday School class of which she is a member began to plan a surprise for her. A number of friends were asked to meet at the home of Mrs. August Peters, from 4 to 6 p. m. Tuesday, June 4th.

Afer an impromptu program of old songs: "Auld Lang Syne," and "Love's Old Sweet Song," the bride was led to a concealed spot and bid to draw "The Old Oaken Bucket"

from a well. This was literally overflowing with emblems of friendship-useful and pleasing gifts for the new home.

When the well was found "dry", a cooling fruit punch was passed while guests wrote favored recipes in the bride's cook-book.

It was a very happy occasion.
