

The Giddings News

August 24, 1923

Mrs. Annie Campbell attended the Neumann-Sterling wedding in Houston Friday. The parents of the bride Miss Mattie Green and Gussie Neumann were born and reared in Giddings and were schoolmates of many present-day citizens of Giddings. They moved to Houston where August has held the responsible position of auditor for the Express Company for many years.

Their daughter Miss Helen was married to Mr. Frank Sterling of a prominent family of Houston. The young couple left for New York to be gone until October 1, after which time they will reside in Houston. The many Giddings friends of Mr. and Mrs. Neumann wish their daughter much happiness.
