

Shower to Miss Scarborough

On Wednesday of last week Mrs. Hugh Milburn delightfully entertained with a miscellaneous shower, honoring Miss Ruby Scarborough who, on July 14th became the bride of Mr. Stockburger.

The color scheme, white and pink, was used throughout the entire decorations.

After the guests were received, they were invited into the beautiful living room where, upon a chair decorated with pink and white crepe paper, was seated the bride elect. "Love is All in All" was sung by Miss Bessie Black with Miss Lillian Raube at the piano. Then, to the strains of the "Wedding March," came Masters John Willard and Isaac Mayfield in white, drawing a little wagon decorated in pink and white. Little Miss Alma Hilsberg dressed in pink was seated on the wagon laden with numerous useful gifts. Two arrows were shot from the bow in the hands of the little lady in pink, one at Miss Ruby and the other at Miss Willie Waltman who was on the right of the bride elect. "Ruby," to the tune of Zora was sung, after which three trips were made by the little wagon. The gifts were opened by the bride elect who read messages of love and congratulations accompanying each. The guests then withdrew to the beautifully decorated dining room, where, upon the table was a mirror, embedded in moss, which held the punch bowl. Pink and white block cake were served, the punch bowl being presided over by Mesdames R. W. Mayfield and Ida Kennerly.

After contributing with reminiscence of the past in "Memories from the Old Town" the guests departed with all good wishes for the bride in her new home.
