**MRS. FRANK TAYLOR HONORED  
WITH LINEN SHOWER**

Mrs Herman Hilsberg and Mrs. A. E. Fischer named Mrs Frank Taylor, a recent bride, honoree at a linen and lingerie shower on the lawn at the Fischer home Friday evening. Airplanes of different sizes were much in evidence on the lawn, some being suspended from the large tree under which the honoree was seated, and little Bille Fischer, driving a motor airplane, escorted by several small children, brought in the gifts and presented them to Mrs Taylor whose husband is stationed at San Antonio as staff sargeant of the 62nd school squadron. Thy airplanes were fav-ors on the refreshment plate which consisted of sandwiches, punch and white embossed cake squares.
