

The Giddings News

September 11, 1942

Skidmore, Texas,
Sept. 5, 1942

Mr. Bishop:

We too have two sons in service (out of our three sons). William (Bill) is first cook in his Co. and has been in the army since May 1941, one of the first to go from this County. He is somewhere overseas. Robert, a Junior in Kingsville College, has been in the army since Aug. 1st. He is at Camp Forrest, Tenn., so that leaves us alone.

Crops have been good this

year here, but we had such a big rain in July which ruined lots of feed. Last Saturday night the storm finished up the cotton picking. Labor was scarce and lots of cotton and peanuts were lost. Not only by the storm but by a big rain. Ours were so nice, but we won't get any now. Lots of feed and corn were lost in the bad storm which was the worst we ever had.

Mrs. L. H. Keng.
