Floyd Zoch, son of Mr. and Mrs. August O. Zoch Jr. of Giddings, who entered the Navy December 28, 1952 recently completed his pre-flight school at Pensacola, Florida and will be stationed at Milton, Florida.

His parents received a letter from the commanding officer Capt. W. D. Anderson who wrote as follows:

"During his 15 week Pre-Flight course he has demonstrated by his attitude and diligence that he possesses the high qualifications necessary to become a Naval Officer and pilot. His successful completion of the courses, which are on the college level, represents no little accomplishments, and you may justly feel proud of him.

May I express to you and your son my sincere congratulations in his fulfillment of his ambition for a Navy career."
