NEW PASTOR CALLED.

Rev. G. T. Bourne of Milford, Texas preached at the Presbyterian church last Sunday, both morning and evening. Rev. Bourne will in the future, preach every fourth Sunday until other arrangements are made. He will preach at La Grange the first three Sundays of each month. On account of having a daughter attending school at Milford, where they have a home, he and his family will continue to reside there until the close of next term of school, and then if this church and the La Grange church decide they want to keep him arrangements will be made and he will likely move to La Grange. This church has been without a pastor for several months and is gratifying to many to know that services will now be held once every 4th Sunday. For the past two Sundays the congregation has enjoyed services each Sunday. The Sunday before they had the pleasure of hearing Rev. Sam Joekel, who is now located at Waxahachie, where he has a regular charge. Rev. Joekel is remembered as a home boy and it was with pleasure a goodly number were out and heard him at both services.
