**INSTALLATION SERVICES
AT FEDOR**

Teacher R. Buuck of Decatur, Indiana, will be installed as second teacher of Trinity Luth. School, Fedor, Sept. 13. Services begin at 9:30 o'clock.

Mr. Buuck and his young wife arrived in Fedor Friday, coming overland with some relatives from Stewardson, Illinois. Trinity school with some 95 pupils has required a second teacher for some years. Students from our seminaries or young ladies had been helping out for a number of years. This spring the congregation resolved to call a second permanent teacher to assist Mr. Theo. Schroeder in the school. Mr. Buuck, graduate of the River Forest, Illinois, Normal School had been teaching in Stewardson, Ill., for two years. The call was extended to him.

Trinity congregation has recently drilled a new well, erected a windmill and cistern and laid some 800 feet of pipes; sidewalks and concrete steps for church and school have just been made in beautifying the church grounds by planting cedars, much work remains to be done, before the plans of the congregation are fully carried out.

A. F. Michalk, Pastor.
