BIG FISH

The above cut shows two fish weighing 32 lb. and 5 lb. aught in the Colorado River at Winchester where the S. P. crosses the river.

In the picture are Miss Winona Garrett, and E. C. Gersch of Giddings, and Marvin Pletsch who pulled in the big fish. The fish were caught on a throw line baited with live bait. Other persons in the fishing party included: Mr. and Mrs. Richard Petsch, parents of Marvin, of near Winchester, Mr. Ad. Umlang of Lincoln, Leonard Kappeler of Giddings. They all camped on the Colorado the night of Aug. 9. Fishing is reported good this year. Probably they have come down from the lakes above Austin.
