June 19, 1931

Trainmaster J. J. Moore and family moved to Austin yesterday (Thursday) where they will reside, he having been transferred to Austin. Mr. Moore and family have become a part of Giddings and are as reluctant to leave as are the Giddings people to see them leave. Their many friends wish them well in their new location. Don Gilliland and family will occupy Mr. Moore's dwelling house in Giddings.
