

H&H Cleaners Become Modern Cleaners

Mrs. Kyleen Harrell has recently purchased H & H Cleaners to be operated as Modern Cleaners—specializing in cleaning, pressing, and alterations.

The building is now under reconstruction and remodeling to accommodate additional equipment.

The receiving room has been made dust proof to protect fine fabrics after cleaning.

A portion of the Modern Cleaners building will be converted to be used for a Shirt Service, including uniforms and family flat work.

Additional laundry equipment has been ordered for complete laundry service.

Mrs. Harrell is specializing in tailor-made childrens clothing including national known brands up to the age of eight years.

The Star extends best wishes to Mrs. Harrell in her new business enterprise.
