

The Giddings News

December 19, 1941

First Visit Here Since 1899.

H. W. Haynie of Pecos called at the News office Tuesday afternoon and stated that he rode a horse out of Giddings in 1899 for Pecos where he has since lived. He was a relative of the Shermehorns of Ledbetter, some of whom moved to Pecos also. Mr. Haynie's people lived at West Point and this is his first trip back to these parts. He is a ranchman and says ranchmen out his way are looking for higher prices for cattle and are stocking bred cattle as much as they can.
