GETS STATE RECOGNITION

Mrs. G. L. Kelly

Four speech teachers were recently lauded in the "Interscholastic Leaguer" for their outstanding work. Among these was Mrs. G. L. Kelly of Giddings, who received special commendation for her efficient work.

The three others were Mrs. G. L. Jones, Marble Falls, Mrs. E. B. Morrison of Cuero and Wendell Cain of White Deer. To this group the State office expressed their thanks for what they have accomplished in promoting the League's speech program.
