Mrs. W. M. Kruse Fractures Hip

Mrs. W. M. Kruse, mother of Mrs. D. T. Childress, had the misfortune of fracturing her hip when she fell at her home in Ledbetter Sunday. She was brought to her daughter's home where she is suffering quite a bit from her injuries. Her son Dr. A. E. Kruse came down from Cameron Monday to see his mother. Their many friends hope for Mrs. Kruse a speedy recovery.
