

**The Giddings Star
January 23, 1948**

**Dr. Rebsch Heads
Optometric Group**

At a recent meeting of the Central Texas Optometric Society at Austin, Dr. A. H. Rebsch of La Grangse, was elected president for 1948 and Dr. Geo. W. Payne of Austin was elected secretary-treasurer.

Plans for the coming year include discussions of the various visual problems to meet today's demands in industry and education, with special attention to preventive measures protecting the vision of school children
