Truck Turned Over

Walter Ryan of Ledbetter age 27, fell from a truck of gravel and was pinned under one corner of the truck body, bruising him considerably about the chest. No ribs were broken, but he was given a severe mashing as the full force of the truck of gravel was spent on him. He was riding beside the driver of one of the trucks which is maintaining the state highway passing through Ledbetter and a tire blew out on the front wheel next to him, throwing him out and the truck body on him. It so happened that the tire blew out when the wheel was in soft gravel. Mr. Ryan was brought to Giddings and given medical attentions and indications are that he will soon be back at work with the Ledbetter Gravel Co.
