September 29, 1922

Rev. H. A. Scott and family took the train Monday for their new home in Fort Smith, Arkansas where he has accepted the pastorate of a church. Rev. Scott is of the highest type of princely gentleman and he made many friends in Giddings. His church prospered under his leadership and he could have remained but his new position is a promotion. The News wishes his the best of success in his new field.
