

The Giddings News

December 19, 1924

Mr. Chas. F. Sweeney and family departed this week for their future home at Mercedes where Mr. Sweeney will be in charge of a large hardware establishment. They did not ship their household goods on account of there being no vacant houses at Mercedes. Their many friends in Giddings wish them well in their new location. Mr. Sweeney will be succeeded by Mr. Lueders who will make his headquarters at La Grange.
