**CHAPL. ZOCH TRANSFERRED
TO CAMP HULEN**

Rev. G. A. Zoch, U. S. Army chaplain at Fort Mason, San Francisco, since August 1, passed thru Giddings Wednesday on his way to Camp Hulen, to which camp he has been transferred.

Rev. Zoch spoke of the possibility of locating with his family at Giddings, where his children could attend Christian day school and he could serve Camp Hulen from here. This might also be necessary due to the crowded conditions at Palacios, where suitable living quarters are hard to find.

Rev. Zoch and family spent the night here with his father and proceeded to Camp Hulen Thursday morning.
