## Fedor School

After a month-long cat fight with the City Council, the great D. F. Fortwood interests are these: The Fortwood Realty Company, the Taylor Bedding Manufacturing Co. and the Trustees for the D. F. Fortwood Virginia Lawrence Trusts complaints to the City of Taylor. The main reason for their complaints, in my opinion in short, is this: Our big properties are taxed too high, according to the opinion of the rich Fortwoods. Their lawyers are young Amos Peters from Taylor and Dan Moody, the former governor of Texas. The City will be represented by the City attorney, E. M. Grimes, D. B. Wood and S. Wilcox, Jr.

I will send something in from my collection file. Perhaps you can make use of it. With greetings to all!
