TRADES DAY BIG AFFAIR

**Stores, Streets and Sidewalks
Crowded.**

The second trades fostered by the Giddings Chamber of Commerce and assisted by many of the business men of Giddings went over in excellent form with every one well pleased with the results. The wide streets of Giddings were jammed with autos and traffic was blocked at times. In places autos were parked six deep and all parking space for blocks from the business district was taken. By actual count, there were 385 autos parked, not counting those in motion at the time the count was made. Horse drawn vehicles were also crowded into every available space and Giddings took on the appearance of a city. Last trades day there were 287 autos parked.

Cash prizes in gold were awarded as follows:

\$40.00,
Wm. Ahlschleger, Nechanitz.
\$20.00
