

**The Giddings News**

April 7, 1950

We all enjoyed a shower of rain which fell Sunday afternoon, not only helping our crops but settling some of the dust. Corn is coming up, and other crops of grain are being planted. Gardens are getting started and everyone is quite busy.

Mrs. P. H. Wilson of Austin is out this way for a few days visiting among old neighbors.

Quite a few from other communities passed through here Sunday visiting their friends and relatives.

Mr. and Mrs. P. A. Helms, Crawford and Marie and D. Turnipseed were in Elgin Sunday.

P. A. Helms has been marketing sweet potatoes in Austin.

Allen Hobbs and his parents were in Giddings Saturday.

Grady Edwards and Clem Edwards were Giddings visitors last week.

Buddy Turnipseed of Taylor spent the week-end with home-folks.

Mr. and Mrs. L. Clark of Elgin and W. N. Clark, Noel and Evelyn, Daisy, Anne and Charlene Helms were Sunday visitors at the home of W. Clark.
