Mr. and Mrs. J. B. Hurst arrived home Sunday following their marriage which took place at Laredo, Texas, Tuesday of last week. Mrs. Hurst is remembered as Miss Kate Baker of Lexington before her marriage where she comes from a prominent family and has many friends. Mr. Hurst, the son of

Mr. and Mrs. C. D. Hurst of this place, needs no introduction as he is born and reared here and belongs to this well known family. While he is well known in a way, it must be said that he is not, or was not known by very few, if any, of his contemplating getting married. He was known to have been a frequent visitor to our neighboring town, but that does not always mean resulting as he did. His sister tells on him that she suspected something was going to happen when he was preparing to leave on his trip and she kept on querring him in a round-about way, and for a while he

would give her no answer. So she persistently kept on after him and he finally said "yes" when she asked if he was going to get married. She then did not know whether he was joking just to ease her inquisitiveness or whether he really meant it, and did not know until the message was received stating they were married. Anyhow, they are married and look just as happy as if the world had known their secret and their many friends are extending congratulations, even though a little late, and wishing them all success and happiness through life.
