Perry - Cherry

A romantic wedding was pulled off in the north end of the county last Sunday night.

Just after preaching at Lexington Sunday night Rev. Burr of Giddings was hurried into a waiting automobile and went out "not knowing whither he went." After driving some mile or more on the Giddings-Lexington road another car met them and both cars stopped. The preacher and the occupants of his car alighted and then it developed that the occupants of the second car were Mr. Clois W. Perry and Miss Alva L. Cherry, and that they were in possession of proper papers authorizing the preacher to marry them which he proceeded to do in short order.

After the ceremony the happy couple returned to their home on the Perry farm east of Lexington.

The witnesses to this wedding were Mr. Clarence Perry, brother of the groom, Mr. Fred Morr's, and Mr. B. Hester, all of Lexington.

The News wishes the contracting parties much joy.
