

HURST-KING

Mr. Ernest V. Hurst and Miss Grace E. King of Lexington were married by Rev. J. F. Garrett Tuesday. They will live near Giddings at the home of Mr. and Mrs. C. D. Hurst. Miss King is a sister of B. M. King editor of the Hempstead News and is a young lady who has many friends where she is known. Mr. Hurst has lived at Giddings all his life and is a splendid young man. The News wishes the couple a life of happiness and prosperity.

Miss Helen Knox returned last week from Medina Lake and San Antonio. She was a party on a summer camp at Lake Medina. She reports a pleasant outing. She says that Lee County is known for the good roads that have been built that she was mailing a package at San Antonio and the clerk remarked: "Giddings, that is the place where we struck those good roads, gee, but we did fly after coming out of all that and on to those good roads at Giddings."
