

LONGLEY—BROWDER

Mr. John Lonkley of Giddings and Miss Myrtle Browder of Lexington were married at Lexington Sunday, leaving on the afternoon train for Waco and arrived in Giddings Tuesday. Miss Browder is the daughter of Mr. and Mrs. Dan Browder of Lexington, one of the most highly respected families of the county. She was born and reared up there and enjoys a large circle of friends. Mr. Longley needs no introduction to the people around here, as he also is the son of one of our best thought of families, being the son of Mrs. John Longley, a family who have lived in and near Giddings where he was born and reared. This young couple arrived at home and are now domiciled in their home in north Giddings. The many friends of both wish them much success and happiness and extend a cordial welcome to Mrs. Longley in coming to be one of our residents.
