CORRECTION

The correct ages for registration Feb. 16 are from 20 to 44 years. All men not previously registered who were 20 years old on Dec. 31, 1941 and who have not reached their 45th birthday on Feb. 16, 1942 must register. In other words those males who are not registered and who were born between Feb. 17, 1898 and Dec. 31, 1921 must register Feb. 16, 1942.

SPECIAL NOTICE

All persons classified III-A in selective service registration are required to report to the local board any changes in their dependencies caused by death, separation, divorce or any other cause. This must be done at once after such change.

If any citizen thinks any person is escaping military service through improper classification or any other cause, it is the duty of such citizen to report such case to the Board.
