**HOME SALES**

Mr. and Mrs. Fred Placke have purchased the old Ira Fariss residence on Hempstead Street in East Giddings and are tearing it down preparatory to building a new home there for themselves. They have sold their residence between Emmrich Mill and the Dairy Mart to Mr. and Mrs. Martin Placke who will move the house to their lots behind the Baptist Church for conversion into apartments. It is expected that the lots between the Emmrich Mill and the Dairy Mart will be developed commercially.

P. H. Luecke recently purchased the former Emma Cherry residence on East Austin Street and is currently rebuilding it for use as an apartment house.
