La Pryor, Texas 20 March 1936

Today I will send in a short report. Since this entire week already I had to battle various ailments (it is probably the flu), there is therefore no desire to write. It has still not rained here. Last Sunday the three-week old little daughter of son August and his wife was baptized. She received the names Margaret Ruth. Godparents were Martin Michalk, Mrs. Traugott Dube, and Mrs. Pastor Kaltwasser. The three families were then here for lunch with August and family. There was no lack of food and drink. That is all for this time. Close and greeting Marie Noack
